## **ATLANTIS PARADISE ISLAND AND TRADEWIND AVIATION LAUNCH A NEW STANDARD OF TRAVEL**

*~Premium Direct Air Service from South Florida to Nassau, The Bahamas  
With Tradewind Aviation~*

**PARADISE ISLAND, BAHAMAS - (June 3, 2026)** – [Atlantis Paradise Island](#), the most iconic resort destination in The Bahamas, proudly announces a new partnership with [Tradewind Aviation](#), offering travelers premium private and semi-private air service between Witham Field in Stuart, Florida (SUA) and Nassau’s Lynden Pindling International Airport (NAS).

Available now, guests of Atlantis Paradise Island can take advantage of an [exclusive Hotel + Flight Package](#) with Tradewind Aviation to save up to 35% on their next vacation to The Bahamas. With a minimum two-night stay, the program includes nonstop service from Stuart, Florida (less than an hour north of Palm Beach) to Nassau. Flights operate year-round, with twice daily service between Thursdays and Mondays.

“Atlantis Paradise Island is committed to enhancing every stage of the guest journey through strategic partnerships that improve convenience, accessibility, and luxury service from the moment travel begins,” said Audrey Oswell, President and Managing Director. “With Tradewind Aviation, our guests can begin experiencing the personalized service and exceptional hospitality that define Atlantis Paradise Island, long before they arrive.”

"The launch of our scheduled service to Nassau in December 2025 marked an exciting new chapter for Tradewind in The Bahamas — and now, partnering with a legendary property like Atlantis Paradise Island is a natural extension of that growth," said David Zipkin, Co-Founder & Chief Commercial Officer at Tradewind Aviation. "This partnership reflects an alignment of shared values, as both brands are deeply committed to a guest-first approach, ensuring every touchpoint, from booking to landing, reflects the elevated experience our guests deserve. By pairing our personal, high-frequency flights from Stuart, FL with the world-class hospitality of Atlantis, we're providing our guests with effortless connectivity along with an elevated experience."

Flights operate out of the Odyssey private FBO at Lynden Pindling International Airport in Nassau, offering efficient, reliable service and an elevated travel experience designed around

efficiency, comfort, and flexibility, including the elimination of TSA delays and unnecessary travel time. Tradewind's Southeast flights are operated with its fleet of modern Pilatus PC-12 aircraft, where guests enjoy a premium travel experience featuring air-conditioned and pressurized cabins, comfortable leather seating, and complimentary snacks and refreshments onboard.

Atlantis Paradise Island offers one-of-a-kind experiences, including the 141-acre Aquaventure water park, over five miles of white-sand beaches, one of the world's largest open-air marine habitats, the Mandara Spa, luxury shopping, and vibrant nightlife. The property also features more than 40 restaurants, lounges, and bars, including dining concepts from Michelin-starred and celebrity chefs.

**About Atlantis Paradise Island, The Bahamas**

Atlantis Paradise Island recently completed \$250 million in bold renovations. It launched exciting new partnerships throughout the resort — including a complete transformation of The Royal Towers, a reimaged Atlantis Casino, and much more. These enhancements mark a dynamic new chapter for the world's most iconic entertainment resort destination, ensuring that guests from around the globe continue to enjoy the very best of Atlantis with stunning accommodations, innovative cuisine, and unforgettable experiences ranging from live music performances and concerts to internationally acclaimed food and wine festivals.

Atlantis' ongoing commitment to thoughtful luxury, world-class design, and exceptional stays continues with the carefully phased transformation of The Cove.

The Cove remains open and welcoming guests as this next chapter unfolds. This refined evolution will introduce beautifully redesigned suites, elevated shared spaces, and a vibrant new pool and beach club experience, while preserving the privacy, exceptional service, warm Bahamian hospitality, and effortless sense of escape that define The Cove.

**About Tradewind Aviation**

Tradewind Aviation was founded in 2001 by brothers Eric and David Zipkin, who grew their shared passion for flying into one of the nation's leading providers of personal air travel, offering both private and scheduled service. Now celebrating its 25th anniversary, Tradewind remains guided by a belief that every flight is an opportunity to create an exceptional client experience. Its unique approach to flying is less harrowing than commercial travel and more intimate than traditional private aviation. It is flying personal.

Headquartered in Oxford, Connecticut, Tradewind operates from key bases at Westchester County Airport (NY), Luis Muñoz Marín International Airport (Puerto Rico), and Witham Field (Stuart, FL). With a fleet of 36+ Pilatus PC-12 aircraft, Tradewind provides both private and scheduled service to highly sought after destinations in North America, the Bahamas, and the Caribbean. Scheduled service combines the convenience and comfort of private aviation with the affordability of individual seat pricing.

In the U.S., routes connect the Boston and New York areas with Nantucket and Martha's Vineyard, while Caribbean flights operate between San Juan and key island destinations such as St Barths, Anguilla, Virgin Gorda, and Tortola. Scheduled flights from Tradewind's newest Southeast region include service from Stuart and Fort Lauderdale, Florida to Marsh Harbour and North Eleuthera, and Stuart to Nassau.

A recognized leader in sustainable aviation, Tradewind implemented a fully funded carbon offset program into their business model in January 2022. In partnership with 4Air, 100% of flights meet a Level 1 Carbon Neutral rating. As of April 2026, Tradewind is proud to have offset 76,507 metric tons of CO<sub>2</sub>.
